Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Thursday 20 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A cloudy and wet night to come across Northern Ireland.

This Evening and Tonight:
Thick cloud will persist overnight with further rain. Still some heavier outbreaks at first tonight then the rain will become lighter, more patchy by morning. Fresh northeasterly winds easing for a time. Minimum temperature 7 deg C (45 deg F).

Friday:
Cloudy morning but the rain mostly dying out, leaving a drier afternoon and becoming a little brighter. Fresh northerly winds. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Mainly dry on Saturday with some sunshine and a few showers. Cloudier on Sunday with outbreaks of rain, then drier, brighter weather returning on Monday.
